

EUROSTAR SCIENTIFIC - YOUR GLOBAL EXPORT PARTNER

TOTAL LABORATORY SOLUTIONS

EUROSTAR
SCIENTIFIC LTD

PROVIDING TOTAL LABORATORY SOLUTIONS SINCE 1989

www.eurostar-sci.co.uk

**EUROSTAR
WAS BORN**

Eurostar Scientific Ltd was founded in 1989 by Managing Director Paul Rule and established as an independent British company supplying Laboratory Equipment, Chemicals, Glassware and Disposables to Scientists across the Globe.

Eurostar Scientific has evolved over the years to meet the wide and varied demands of Laboratories with an ever growing range of products and we are continually adding to our portfolio of manufacturers we distribute for.

**“A VERY DEPENDABLE
TEAM OF LABORATORY
PROFESSIONALS THAT
PROVIDE A WELL
ROUNDED SUPPORT
WITH GREAT PASSION.”**

Saud Bader - Operations Manager,
Al-Zahoor Medical & Scientific Supplies, Bahrain

TOTAL LABORATORY SOLUTIONS

Eurostar Scientific has the ability to procure goods on an international scale and we can provide a complete **“One-Stop-Shop”** service for all of your Laboratory requirements.

From Basic Consumables to Capital Equipment, Eurostar Scientific is committed to supplying high quality products with an excellent service and to suit every budget.

Whether you are an end user or a distributor, together with our trusted partners, we will supply you with all of the relevant commercial and technical support you require.

We have developed long term relationships with leading and reputable brand manufacturers, primarily in the UK and Europe.

Our dedicated team has over 100 years combined experience in competitive and successful third party procurement for projects and Tenders around the world. They are always available to advise on the most appropriate and cost effective systems to meet your needs.

YOUR GLOBAL EXPORT PARTNER

Through a network of distributors Eurostar Scientific has expanded to supplying Laboratory Equipment, Chemicals & Fine Chemicals, Analytical Standards, Consumables, Glassware and Science Educational Equipment to over 150 countries around the world.

Our current customer base includes companies across the Process, Environmental, Health, Medical and Educational sectors.

We have successfully tendered for and delivered numerous projects for Multi-National Aid Agencies and NGO's thanks to a good understanding of the specific requirements that they have.

We are also Preferred Suppliers and Approved Vendors to numerous Government Ministries plus Oil and Petroleum companies in the Middle East and Africa.

A COMPLETE SERVICE

We are committed to providing tailor made quotations to suit your individual laboratory requirements and budget.

We always ensure we are offering you competitive prices for quality branded products.

We provide a complete and comprehensive service to customers including delivery to nominated freight forwarder.

Alternatively, customers can send in their own forwarding agent and we will prepare the shipment and documentation.

All hazardous chemicals are packed in accordance with IATA / IMDG regulations and our highly trained staff will attend to all Dangerous Goods Notes and procedures.

“WE ARE PLEASED TO COOPERATE WITH EUROSTAR SCIENTIFIC IN THE SULTANATE OF OMAN. DURING OUR YEARS OF COOPERATION, WE HAVE ENJOYED EUROSTAR’S GREAT CARE, PROMPT RESPONSES, AND INCREDIBLE AFTER-SALES SUPPORT.”

Saleh Ali Al-Ajmi - Executive Director,
National White Star Enterprise (NW Star) (also
known as AlAjmi Technical Supplies), Oman

YOUR ONE STOP SOLUTION

Laboratory Equipment

Autoclaves, Balances, Centrifuges, Electrophoresis Systems, Freezers, Furnaces, Heating Mantles, Hotplates, Ice Flake Makers, Incubators, Liquid Handling, Melting Point Apparatus, Microscopes, Ovens, Refractometers, Rotary Evaporators, Stirrers, Water Baths, Water Stills.

Manufacturers we represent include:

Astell, Bibby Scientific, Binder, Carbolite, Cleaver Scientific, Euromex, Genlab, Gilson, Grant Instruments, Hubbard, IKA, Kern, Labcold, Medline, Ohaus, Nickel Electro, Thermo Scientific, Witeg, Xylem

Process Industries

Water Testing Equipment and Kits, pH, Conductivity, Turbidity, Salinity, Dissolved Oxygen, CO₂, Pollution Testing and Control, Water Monitoring Equipment, Colour Testing, Gas Tight / Liquid Tight Syringes, Reference Materials including Density, Flash Point, Liquid Colour, Refractive Index, Viscosity standards

Manufacturers we represent include:

Accustandard, Agilent, Hanna Instruments, Hach Lange, IDEXX, Kinesis, LGC Standards, Lovibond, Reagecon, Rheotek, Paragon, Palintest, Perkin Elmer, SGE

Biological Industries

Disposable and Sterile Plastics and Consumables, Tissue Culture, Culture Media, Stains, Blood Grouping Antisera, Diagnostic Reagents and Kits, PCR Equipment, Thermal Cyclers, Rotators, Shakers (orbital/linear/microplate), Colony Counters

Manufacturers we represent include:

Greiner, Sterilin, ISS, Heinz Herenz, Abtek Biologicals, Mast Diagnostics, Lab M, Oxoid, Neogen, Techne, Interscience

Glassware and Plastics

General Purpose Glassware and Plastics, Volumetric Glassware, Jointed Glassware, Filtration Equipment

Complete ranges from Pyrex, Azlon, Quickfit, MBL, Blaubrand, Silberbrand, Simax, Volac, Kartell, Nalgene, Sartorius

Chemicals and Reagents

We supply a comprehensive range of chemicals including Technical, General Purpose, Analar, ACS, HPLC, GC, Molecular Biology, Trace Metal Analysis

Manufacturers we represent include:

Alfa Aesar, Acros Organics, Fisher Scientific, Gelest, Merck, TCI, VWR

**"EUROSTAR IS A VALUABLE
MEMBER OF OUR SUPPLY
CHAIN. WE HAVE ENJOYED
WORKING WITH THEM FOR
THE PAST 15 YEARS, AND
RELY ON THEIR TECHNICAL
KNOWLEDGE AND
PROFESSIONALISM."**

Mutaz M. Elfaki - Sales Manager,
International Gulf Trading Company, Qatar

SCIENCE EDUCATION

Anatomical Models, Biology, Chemistry, Physics, Chemicals (including own brand range), Glassware, Plastics, General Lab Equipment, Enzymes, Stains, Molecular Models, Prepared Microscope Slides, Datalogging.

We are the Exclusive International Partner of leading UK Science Education supplier **Breckland Scientific Supplies**. In conjunction with Breckland Scientific Supplies, we have a complete science catalogue for

our education customers. The catalogue covers the following areas:

- > **Chemistry**
- > **Biology**
- > **Physics**
- > **Microscopy**
- > **Datalogging**
- > **Microbiology**
- > **Biotechnology**
- > **Chemicals**

The catalogue includes advanced development products for modern teaching as well as all of the consumables, glassware and chemicals a laboratory requires.

We have access to a far greater range of products than those we actually catalogue, so if you have our catalogue and you can not find what you are looking for, please contact us.

We have extensive experience working with Ministries of Education, Education Councils and directly with schools and teachers.
